

國立成功大學醫學院附設醫院健康檢查中心

NCKU Hospital Health Examination Center

本中心是由各專科主治醫師及醫護人員所組成的堅強醫療團隊，秉持著醫學中心的高標準提供專業嚴謹的健康檢查品質；彙整之全部檢查結果，則由家醫科主治醫師親自提供個別化的健康諮詢，並依個別需求協助轉介至本院其他科之醫療團隊，使受檢者能獲得連續性及整合性的健康管理，並藉由早期診斷早期治療，為您個人及家人的健康把關。

The medical team at the center consists of specialized physicians and nurses. We provide high quality health examination services based on the highest professional standards: the various examination results are integrated, and family practice doctors provide individual health consultations, giving guidance on maintaining good health. We assist examinees with transfers to other departments **according** with individual needs so that examinees can better manage their health after appropriate diagnostic and treatment measures. By doing detailed check-ups, you and your family can take better care of your health.
